

# Effective ESD Control Provides 95:1 ROI

See article at [www.charleswater.co.uk/roi/](http://www.charleswater.co.uk/roi/)

Charleswater would like to optimise your investment in ESD control. Our "T.E.A.M." programme makes it easy:

- EUROPEAN DESIGNED AND APPROVED products and equipment that meet EN 61340 and applicable industry standards
- ESD training
- CONSULTATION and technical support
- STATE-OF-THE-ART, high quality Charleswater products
- ACCESS to the most complete line of ESD control solutions in the industry
- FOCUSED analysis of individual site problems and solutions with in-plant surveys
- ASSISTANCE to existing training departments or personalised schemes
- TECHNICAL DOCUMENTATION available 24 hours a day, 7 days a week
- EXTENSIVE product line of education and training materials
- REGULAR CONTACT with manufacturing and product specialists
