## RoHS Compliancy Statement

It is the belief of Desco Industries, Inc. that all Desco Industries products fall outside the scope of the 2002/95/EC and 2002/96/EC directives, except for the Menda Vacuums, which do comply with the requirements of these directives. These are item numbers: 35844, 35845, 35848, 35849, 35852, 35857.

All other Desco Industries items fall outside the scope of the directives.

8 RoHS categories:

- Large household appliances
- Small household appliances
- IT & telecommunications equipment
- Consumer equipment
- Lighting equipment
- Electrical & electronic tools
- Toys, leisure and sports equipment
- Automatic dispensers
- Electric light bulbs & household luminaries

The European directives are to control hazardous substances (RoHS Reduction of Hazardous Substances) in electrical & electronic tools. A Desco ESD shielding bag is not an electrical or electronic tool. It "is not dependent on electrical currents".

Specifically regarding CMG ESD Shielding Bags, none of the following materials are intentionally added in manufacturing: lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE).
